

**ASSUMES HEAD JOB**—W. T. Johnson, right, president of the Hamlin Independent School District board of trustees, congratulates Coach William Grissom on his selection as head football coach and athletic director for the coming year. Coach David Bonds, left, resigned from this position to take the head football coach spot in Lamesa.

#### NEWS AND VIEWS . . .

##### And What Have You

By BOB CRAIG

Our congratulations to Coach Tom Dechairo and his basketball team for winning the District 6-AA championship. This is Coach Dechairo's third championship in four years, which is an impressive record in anyone's league.

Since this is being written on Monday and the District 5-AA representative will not be settled until Tuesday we hope to have the playoff team and site in the regular story in this edition. At the present time it appears that we will play Tahoka.

The boys will be playing Hawley at Hawley tonight (Thursday) at 7:30 and this game should draw a good crowd from Hamlin. Hawley is one of three teams to hold victories over the Pipers this season. Hamlin lost to Hawley in the second round of the Anson Tourney before Christmas.

Our congratulations, too, to Coach Bettye Davis and her girls. While they did not manage a district championship they did manage a very good season with so many young, inexperienced girls. They should be even stronger next year.

It is with a note of sadness this week that we announce the resignation of David Bonds as Athletic Director here. Because of our close association with high school athletics as a reporter and also having had a son play under Coach Bonds during his four years here we have been most impressed with him.

We do not believe that we have ever been around anyone who worked any harder at his job than David has. If he carries the same determination, desire and work habits to his new job at Lamesa we know that he will be successful there.

Coach Bonds and Coach Bill Grissom came here together and have worked as a great team together. Now with Bonds moving to Lamesa, the School Board is moving Coach Grissom up to the head job, so we are at least keeping half of this strong team.

This will be Coach Grissom's first head coaching job, but after two State Track Championships he knows what pressure is. And he is another one who is not afraid of work.

Our congratulations to both these men and we wish them every success as they take on these new challenges.

Here are some little know facts about Public School Education in

Continued On Page 4

#### BONDS TO LAMESA—

## Grissom Gets Top Athletic Post Tuesday

The Hamlin School Board accepted the resignation of David Bonds as Athletic Director and head football coach at a special called meeting of the Trustees at noon Tuesday. During the same meeting they elevated Bill Grissom to the head position.

Coach Bonds has accepted the position as head football coach at Lamesa High School, a Class AAA school. O. W. Follis, veteran basketball coach, is Athletic Director.

Coach Bonds will move to Lamesa to begin his duties there Mar. 1. He said that his family will not move until the end of school. His wife, Gena, is a teacher's aide in the Elementary system.

Bonds moved here from Alice four years ago to assume his first head coaching position and since that time has compiled a 30-12-2 record in football and has won three district championships and one bi-district championship. His best year was 1973 when his team posted a 11-1 record and lost to Alpine in Regional.

During his tenure as athletic director, he has seen Hamlin also win three district championships in basketball (they also won bi-district in 1973), one district title in girls basketball, three district track titles, and two district golf titles. The track team

also won both the Regional and State Championships twice.

Coach Grissom teamed up with Bonds as first assistant football coach and head track coach four years ago. A Winters native, he coached at Winters and at Floydada before moving here from Floydada. Both coaches are graduates of McMurry College in Abilene.

The City Council has set a Public Hearing at its next regular meeting on the problem of heavily loaded trucks parking and driving on the city's paved residential streets. This meeting will be held on Monday, Mar. 15, at the city hall conference room.

In asking for the public hearing, Mayor Joe Ford told the council that the city's paved residential streets were not designed to handle these heavy loads and that the city will be faced with big repair bills if something is not done to curtail this practice.

All truckers and other interested parties are urged to attend this meeting in an effort to work out a solution that will cause the least hardships on everyone concerned.

Franklin Ebeling, president of Ebeling Mfg. Corp. of Plainview, made a slide presentation to the council on a garbage container system his firm manufactures. He told the council that the saving in labor would pay for the system in five years.

Ebeling told the council that it would take about 200 three yard container and about 150 one and one-half yard containers to cover the city. The three yard containers are designed for use in the fully developed areas with one unit to serve four houses and the smaller units for the less populated areas.

The units are picked up, dumped and returned to the ground from the side of the truck without the driver ever leaving the truck. Under the present system of trash barrels, the city is using three men.

The council decided to

## Cemetery Group Sets Town Meeting

Trustees of the Hamlin Cemetery Association have announced that the trust endowment agreement has been drawn and it will be read to the public at a town meeting Tuesday, Feb. 24, at 7 p.m. in the chapel of McCoy Funeral Home.

The trustees will present a report on the first two months' results and progress made on the perpetual care status of the Hamlin cemetery.

Bill Rountree, president of the Association, will preside. Several important matters are to be discussed, he said, and urged everyone to be present.

## Council Plans Public Hearing On Truck Parking Problems

check on some of the cities using this system and to check on some of the competitive systems.

In other business the council agreed to rent storage space behind the city hall to the Hamlin Independent School District. Marvin Carlton appeared before the council requesting the space to store some of the new school equipment that will be coming in before the new school is completed.

The council also voted to spend about \$85 to repair some of the lights at the city airport damaged by vandalism. They also approved

the installation of a restraining chain in an effort to cut down on vehicles using the runway.

They also voted to enter an agreement with the local school CAVE class under the direction of Claxton Carter to repaint the street sign posts and fire plugs with the city buying the paint and the class doing the work as a public service project.

## McCaulley ISD Calls Election For Two Trustees

The McCaulley Independent School District has called an election for two places on the Board of Trustees, according to Ed Farmer, superintendent. The terms of Marion Reed and Cecil Williams will expire in April.

The election will be held Saturday, April 3, in the high school cafeteria. Deadline for securing a place on the ballot is Mar. 3.

Meeting in their regular session Tuesday, Feb. 10, the McCaulley School Trustees rejected the land sale bids on lots 11 and 12 in block 24 of the original town site of Sylvester.

Pictures used in the Hamlin Herald may be picked up by the owner within two weeks after publication.

#### TO PLAY AT HAWLEY TONIGHT—

## Pipers to Play Tahoka Tuesday for Bi-District

The Pipers defeated Colorado City here Friday night to win the District 6-AA Championship and the right to meet Tahoka in a Bi-District Championship game at Snyder Tuesday evening at 7:30. The game will be played in the Scurry County Coliseum.

The Pipers will play a practice game with Hawley tonight (Thursday) in the Hawley gymnasium. The

game is set for 7:30.

The Tahoka Bulldogs defeated Roosevelt Tuesday night, 81-61, to win the District 5-AA title. The Bulldogs have a 25-3 season record and were 9-1 in district. Their only district loss was in the second half of play and was to Post.

The Piper season record stands at 19-3 and their district record at 11-1.

The five starters for Tahoka are David Graves, 5'10"; Danny Moore, 5'10"; Mitch Raindl, 5'11"; Tommy

Botkin, 6'0"; and Earnest Bailey, 5'10".

The winner of the Bi-District contest Tuesday will advance to the Regional Tournament to be held in Lubbock Friday, Feb. 27. They will play the Bi-District winner of Districts 1 and 2 at 11:30. The winner will play for the Regional Championship Friday night at 8:30.

The pipers closed out district play here Friday with a 60-52 win over Colorado City with four boys scoring in double figures. Steve Williams and Delbert Thompson each scored 14 points, Gerald Rodgers 12, and Charles Brown 10. Also scoring were Alan Steele 6, Rick Craig 2, and Daniel Willis 2.

Colorado City won the boys JV game, 54-32.

## Melvin Bradley Named Farm Bureau Manager

Melvin Bradley, 43 year old insurance salesman from Gruver, was named Agency Manager of the Jones County Farm Bureau in a special called meeting of the Board of Directors Thursday night, Feb. 5, according to J. C. Moss, president.

Bradley replaces Joe Albrow who was promoted to a similar position in Lamar County.

Bradley farmed for several years in Swisher County and later worked for a fertilizer company at Gruver before joining the Farm Bureau Insurance Sales force.

Bradley and wife, Phyllis, have one son who is a Senior attending West Texas State University where he is majoring in General Business.

Bradley has worked for Farm Bureau over two years and sold over \$2,000,000.00 in Life Insurance during those two years.

Bradley and his family will be moving to Anson about April 1 to take up his duties as Farm Bureau Agent.

In their 22 games this season the Pipers have had three boys average over 10 points per game. The best average belongs to Rodgers at 15.7. He is followed by Thompson with a 14.4 average and Brown with a 11.6 average.

Tickets to the Bi-District game at Snyder will be sold at the gate and will be \$2.00 for adults and \$1.00 for students. The doors will open at 6:30.

## Bicentennial Committee Sets Meeting

A meeting of the Bicentennial Committee and all interested persons will be held Friday at 7 p.m. in the City Hall Conference Room, according to Mrs. Robert Fowler, Hamlin's Bicentennial chairman.

The meeting has been called to coordinate all Bicentennial activities by all individuals, clubs, and groups and make plans for the community projects.

At this time a reproduction of a book on Hamlin which was printed in 1911 is being sold for \$3 per copy. Bicentennial buttons boosting Hamlin and the Bicentennial are also being sold.

Plans for other projects are to be discussed at the meeting.

Everyone is urged to attend, Mrs. Fowler said.

## Bridge Class

A bridge class is being taught at the high school each Monday from 7 to 8 p.m. by Dale Lain.

The class has met only once, and interested parties may still enroll Monday, Feb. 23.

The class will meet for 10 weeks, and tuition will be \$5. A book will also be available for purchase, according to Mrs. Warren Sharp, coordinator of the new community education program here.

**SCOUT WORKERS HONORED**—From left, Steve Carriker, Jerry Gooch and Sammy Ferguson hold gift certificates received from the Hamlin Lions Club in recognition of their work with the Scouting program in Hamlin. The certificates to be used for the men's scouting equipment needs, were given in appreciation of their valued leadership in Scouting. The Lions Club sponsors the local troop.

# Gardening...

## An Activity for Everyone

The gardening mood is definitely in as numerous national polls are showing that more Americans took up gardening last year than at any other time in history, according to Jones County Agent Kirby Clayton.

Why the sudden spurt to return to Mother Nature, to till the soil, to live off the land? It's a matter of economics for most families, points out Clayton. The increase in food prices during the past year has been a major factor in the mushrooming interest in home gardening. Many gardeners in Jones County should be able to save \$200 to \$400 per year on their total grocery bill, through the use of a home garden.

And who can deny the improved flavor and freshness of homegrown vegetables? Plus they are available when you want them, contends Clayton. The high cost of labor and high fertilizer prices as well as a shortage of commercial vegetable seed may keep down commercial vegetable production in many areas this year.

Gardening can also play an important role in the current energy crisis, notes the county agent. With fresh produce in the backyard, trips to the supermarkets can be reduced. Gardening also provides a form of relaxation that brings about family togetherness. Again, this helps keep family members at home and out of those gas-consuming automobiles.

And the health aspect

cannot be overlooked, points out Clayton. Gardening provides good wholesome exercise in the outdoors.

How do you get started in producing your favorite vegetables in your backyard? Begin with a small plot, advises Clayton, and if you and your family really have

the desire, you can always expand. A plot 20 feet by 20 feet can produce plenty of vegetables for a family of four. Remember that time and work are involved, so don't go overboard. Also, grow only the things that you and your family enjoy the most and those that cost the most at the supermarket.

Texans are blessed with a good climate and a long growing season that makes gardening even more profitable, says Clayton. Spring and fall gardens can produce an abundance of fresh vegetables.

Mr. and Mrs. A. W. Eldred are parents of a girl, Lisa Ann, 5 lbs., born Feb. 15 at 2:25 a.m. They have another daughter, Angela Kaye, 3½. Maternal grandparents are Mr. and Mrs. John Moster of Muenster and paternal grandparents are Mr. and Mrs. Alvis Eldred of Nocona.

## Macrame Class To Start

Mrs. Joe Norton, instructor for the macrame class of the new community education program here, has announced the first session will be Thursday, Feb. 25, from 7 to 9 p.m. in the high school building.

After the first session on Thursday, the class will meet from 7 to 9 on Tuesday and Thursday of each week. Each participant will pay a fee of \$1.00 per night. \$2.00 will be needed for supplies.

## Tasty from Checkerboard Kitchens

### PERK UP MID-MORNING COFFEE BREAKS

Serve Orange Date Bread with mid-morning coffee or for afternoon tea. Its pleasing flavor is a delicious blend of orange, dates and whole wheat. The unusual ingredient is bite-size crispy wheat squares. A moist bread, this tasty loaf is at its best if allowed to stand overnight before serving.

### ORANGE DATE BREAD

2 cups sifted all-purpose flour  
3/4 cup sugar  
2 teaspoons baking powder  
1/4 teaspoon salt  
1/2 cup nuts, chopped  
1/2 cup dates, chopped  
1 egg, beaten  
3 tablespoons vegetable oil  
1 cup orange juice  
1 1/2 tablespoons grated orange peel  
1 cup Wheat Chex cereal (bite-size crispy wheat squares) crushed to 1/2 cup

Preheat oven to 350°. Grease an 8 1/2 x 4 1/2 x 2 1/2-inch loaf pan. Sift together flour, sugar, baking powder and salt. Stir in nuts and dates. Combine egg, vegetable oil, orange juice and orange peel. Stir in Chex. Add all at once to dry ingredients. Stir just until moistened. Turn into pan. Bake 55-60 minutes or until tester inserted in center comes out clean. Let cool 15 minutes before removing from pan. Best if allowed to stand overnight before serving. Makes 1 loaf.

## Americanism Program for Literary Club

A panel discussion of "What Happened to the signers of the Declaration of Independence?" will be the presentation for the Americanism program Friday when Woman's Literary Club meets in the home of Mrs. J. A. George at 2 p.m.

Mrs. Joe Cowan will direct the program and panel members will be Mmes. Fred Smith, R. D. Moore, Jackie Williams and Arlie Cassle. Mrs. Dave Lewis is to give the invocation and roll call will be answered with the name of a favorite man in colonial times.

Mrs. Charles Westbrook will give parliamentary briefs.

## Mrs. Ritchey Hosts Service Class Meeting

Mrs. R. C. Ritchey was hostess for the Thursday afternoon meeting of Service Sunday School Class of First Baptist Church.

Mrs. E. A. Hewett, a guest, gave the devotion.

A salad plate was served with cake, coffee and cola. Others attending were Mmes. Norma Lasseter, Ethel Brewer, Vincie Walton, Mable Duncan, Lurline Jenkins, Myrtis Johnson, Minnie Mae Ballew, Fred Allen, Gertrude Routh, Bonna Bell Porter.

Mrs. Ritchey was assisted by her daughter, Mrs. Sigmund Stovall, and Mrs. Tom Routh in serving.

## Rebekah Class Holds Meeting Wednesday

The Rebekah Sunday School Class of First Baptist Church met in the church parlor, Wednesday, Feb. 11, for a monthly class meeting.

Mrs. Fred Rosenbaum, assistant outreach leader, presided.

Opening prayer was given by Mrs. Carl Meyner. Mrs. Oran Taylor gave the devotion.

Hostesses were Mmes. Carl Young, Edd Rodgers.

Others present were Mmes. Debbie Harrell, L. B. Baker, Mae Young and D. O. Waymire.

## GOOD CITIZENSHIP THE VOTE - IT'S FREEDOM'S CHOICE

By Jay VanAndel  
Chairman of the Board  
Amway Corporation

The free enterprise system is the lifeblood of a healthy America. So successful is our system and so high are the aspirations of the American people that we define poverty at an income level that is higher than the average income level of what is called the world's second most powerful nation, the Soviet Union!

The greatest accolade that can be paid to American business and the free enterprise system is that it has helped make possible personal freedom. Freedom and free enterprise are mutually dependent, like Siamese twins, each relying upon the other for its existence. Free enterprise is integral to all liberties that make up a free society. From them springs our security.

Yet in the past 40 years, freedom, security and free enterprise have undergone a subtle transition in meaning. Freedom has shifted from the positive—freedom to strive for our individually set goals—to the negative—freedom from having to take a responsibility in bettering one's self, freedom from decision-making. Security has come to mean paternalism: "The government or someone else will take care of me." And free enterprise has been attacked because it allows some of us, by our own efforts, to move ahead of others who lack initiative or opportunity or drive.

Obviously, if we continue to travel this road, we devalue all of those ideals that our forefathers fought so hard to gain for us. This country was founded on the principle of individual freedom. It prospered because of the opportunities it provided to all. It was here that anyone who applied his ingenuity, imagination and

industry could become a success in his chosen field of endeavor. "Only in America," they said. And it was true.

I believe that most Americans still value individual liberty and freedom; that we thrive on the challenges

of the free enterprise system, that we can gain more by our own efforts than by being "kept" by the government.

Why, then, have we begun to abdicate personal responsibility, giving up our freedom to make decisions in exchange for the "security" of having others make them for us? We are forgetting that the government was not designed to make our decisions for us, but to act upon the decisions that we, as a free people, make.

Americans have a powerful means of control over the government, yet it often goes unused. The instrument for freedom: our vote. Let's use it wisely and well. Freedom is not free; we are responsible.

VanAndel is Chairman of Amway Corporation, one of the nation's leading direct sales firms, with products sold through more than 200,000 independent distributors. As a non-commercial Bicentennial project, Amway distributors are offering all Americans the opportunity to sign reproductions of the Declaration of Independence, re-dedicating themselves to the principles on which our country was established.

## GIRL SCOUT NEWS

Approximately 125 Girl Scouts and their mothers attended the Mother-Daughter Valentine Tea Friday, Feb. 13 at First Methodist Church Fellowship Hall.

Serving tables were decorated with Valentines, flowers, crystal and silver appointments on a bright red table cloth.

The registry table was decorated with a white cloth, red hearts and red candles in white holders.

Heart-shaped pink cookies baked by Troop 358 under the supervision of their leader, Mrs. Roy Tom Watts, were served.

All Girl Scouts who have had training in playing the

piano furnished the entertainment by playing individual pieces for the mothers.

Hostesses included Troop leaders Mmes. Roy Tom Watts, Curtis Payne, Dan Schuette, Ken Prewit, Ronnie Lincoln, Sam Mack Hodges and Thomas Welch.

## Church Ladies Hold Salad Supper Feb. 10

The Ladies' monthly salad supper was held Tuesday, evening, Feb. 10, in the Church of Christ Fellowship Hall.

A Valentine theme was carried throughout the room and in the table decorations.

Hostesses included Lillian Daniell, Clota Mae Tegart, Ruby Shira and Edna Maberry.

Program was a review of the book, "Two From Galilee" by Marjorie Holmes, presented by Becky Lucas, first grade teacher in Hamlin Primary School.

## Bridge Winners

First place winners in Tuesday evening competition of Hamlin Duplicate Bridge Club were Mrs. Dale Lain and Mrs. G. W. Comegys.

Winning second place were Mrs. Ray Sonnenburg and Dale Lain; and third place went to Mrs. Barry Moore and Mrs. Harvey Elkins.

## VFW Ladies To Present Flags Today

Members of the Ladies Auxiliary to the Veterans of Foreign Wars met Tuesday evening, Feb. 3, and reviewed the work of the past three months.

Mrs. Clinton Robinson, senior vice president, presided.

The honor roll requirements for December, January and February were met by completing projects of giving gifts to the rest home residents, and giving to the student nurses state scholarship fund, it was reported.

Plans were also made for the presentation of a flag to each child in the Hamlin Child Care Center for the Americanism project, "From the Cradle Up."

The next meeting will be held Mar. 2.

## the gospel truth

by Bro. Marshall Townsley

"For this is as the waters of Noah unto me; for as I have sworn that the waters of Noah should no more go over the earth; so have I sworn that I would not be with thee, nor rebuke thee. For the mountains shall depart, and the hills be removed; but my kindness shall not depart from thee, neither shall the covenant of my peace be removed, saith the Lord that hath mercy on thee." Isaiah 54:9, 10.

From the above reference I can say with all confidence toward the Christian that the Father will never again be mad at you, nor will you ever feel the fierceness of his anger. BECAUSE OF THE REDEEMPTIVE WORK OF CHRIST you have been accepted once for all in the beloved (Eph. 1:6). All privileges you and I enjoy as born again, spirit filled believers hinge on the work that Jesus Christ accomplished; not our own works. God has made you sufficient to be a partaker of your inheritance through Christ. (Col. 1:12)

God is not the author of your tribulation and trials. He is not a devil! "Let no man

say when he is tempted, I am tempted of God. : for God cannot be tempted with evil, neither tempteth he any man." James 1:13 Furthermore, Isaiah 54 verses 14, 15 says In righteousness shalt thou be established: thou shalt be far from oppression; for thou shalt not fear: and from terror; for it shall not come near thee. Behold, they shall surely gather together, but not by me: whosoever shall gather together against thee shall fall for thy sake." "The thief cometh not, but for to steal, to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly." John 10:10

The past three weeks we have labored in the Word to bring you into the reality of righteousness, or right standing with God the Father. I pray for you that the eyes of your understanding would be enlightened in this particular area. God is on your side. (Psalm 118:6) "He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things?" Romans 8:32.

## BELLE'S Western Patterns

Pictures used in the Hamlin Herald may be picked up by the owner within two weeks after publication.

## FROM THE Recipe File

By Barbara Craig

from the Matthews Memorial Presbyterian Church Cookbook, 1975 edition, compiled in Albany.

### SPICY MEAT PIE

2 lbs. ground meat  
3/4 c. chopped onion  
2 cloves garlic, minced  
1 1/2 c. bouillon  
1 t. sage  
1/2 t. pepper  
1/4 t. cloves  
3/4 c. chopped celery leaves  
3 T. cornstarch  
1/4 c. water

Saute meat, onion and garlic in large skillet. Stir in next 6 ingredients. Mix corn starch and water; stir in gradually. Bring to a boil, reduce heat and simmer covered, about 10 minutes. Cool.

Line casserole with mayonnaise pastry made of 2 c. flour mixed with 1 t. salt, stir in 1/2 c. mayonnaise until crumbly, stir in 3 T. cold water. Pour in meat mixture. Top meat with pastry. Bake 425 degrees till brown.

### SATURDAY MEAT LOAF

2 beaten eggs  
3/4 c. milk  
two-thirds dry bread crumbs  
2 T. chopped onions  
1 t. salt  
1/4 t. chili powder  
dash salt  
1 1/2 lbs. ground meat

Topping  
1/4 c. hot catsup  
1 T. brown sugar

1/2 t. dry mustard  
Combine eggs, milk, bread crumbs, onion, salt, chili powder and pepper. Add ground meat and mix well. Pat mixture in deep pie plate. Bake at 350 degrees for 45 minutes. Drain off excess fat. Combine catsup, brown sugar and mustard. Cover loaf with topping and cook 10 minutes longer. Cut in 6 wedges. Garnish with sweet pepper rings.

### ENCHILADA MEAT LOAF

2 lbs. ground meat  
1 onion chopped fine  
6 T. chili powder  
1 can Tomato paste  
2 T. green onion flakes or chives  
Several dashes Tabasco  
2 eggs  
1/2 c. milk  
Salt to taste

Mix well and bake in loaf or casserole at 350 degrees.

FROM THE FILES . . .

FIFTY YEARS AGO  
(February 12, 1926)

It looks like that the old mule and the faithful old horse are going the way of the saddle horse, the buggy and the carriage, and we might say the wagon. This week the Herald carries a notice or ad for John T. Day & Son, concerning the Farmall Power on the farm. There will be a Special Demonstration or Show of this machine at the Day store next Monday and a Free Picture Show of the same consisting of about five or six reels at the Opera House that afternoon.

County Agent Tanner requests the Herald to tell our readers that the last terracing school of the season will be held at the J. E. Adams place near the Dovie Schools, next Monday and Tuesday. At these schools Mr. Tanner instructs as many men and boys as possible in order that they may carry on this work without help. He has given twenty-two instructions in the future. Mr. Tanner says that units in the county and ninety-six persons have learned to terrace. With the Dovie instructions Monday and Tuesday he will reach his 100 men or boys for terracing in Jones County. Tell your neighbors. Be on hand. Learn how to save your soil and your moisture.

The Herald is not calling attention to the City chicken law from personal motives, but because a citizen suggested it. It is well and good to speak of it however, as this regulation is a new one for Hamlin and one that should work nicely in every part of town, where either gardens, flowers, and chickens are to dwell together. They work fine provided there is a good fence between them.

The Katy Pullman ran its last run last Sunday night. The Katy lost \$8,000 in 1925 on this service, caused by the jitney buses, and they now let you sit up all night if you take the train at Waco for Stamford for 8:30 p.m. So the service, for the present is dead.

The Valley night pullman service is not yet dead, but it is very sick and nothing but a large and regular dose of patronage will revive it.

One of the most charming social events of the New Year Season was given at the beautiful home of Mrs. W. A. Albritton on Central Avenue, Tuesday afternoon, February the second from three to five o'clock when Mrs. Albritton and Mrs. Ted Russell were joint hostesses to a lovely Valentine party.

The house was decorated through out with hearts and cupids, carrying out the Valentine idea.

TWENTY YEARS AGO  
(February 17, 1956)

Bond election for \$150,000 that would supply funds for erection of a new band hall and gymnasium on the present campus of Hamlin High School has been called for Saturday, February 25.

Call for the election was made by a unanimous action of the board of trustees of the Hamlin Consolidated Independent School District held Tuesday evening.

The gymnasium has been designed to be placed on the present site of tennis courts just west of the main high school building, according to C. F. Cook, superintendent of schools. It would face north on Southwest Second Street next to Southwest Avenue C. New tennis courts would be constructed between the gymnasium and the vocational agriculture buildings, Superintendent Cook said.

Three of the seven grand championship trophies were awarded to Hamlin Future Farmers of America boys in last week-end's annual Jones County Club Boys Livestock Show, staged at Stamford.

DeVaughn Carrigan received the fat steer trophy donated by the Hamlin Rotary Club; Mac Reid was awarded the fat swine trophy donated by the Hamlin Lions Club; and Richie Smith received the broiler trophy donated by the Lueders Chamber of Commerce.

Last Wednesday afternoon from 2:30 to 4:00 p.m. an anniversary party was given in honor of Villa Rountree in the Hamlin telephone company lounge. Miss Rountree was honored for her 35 years' service with the telephone company.

Mrs. Bob Tegart, chief operator, pinned the corsage consisting of tiny white rosebuds.

Most Hamlin service stations advanced the retail price of gasoline last week with the advance of one-half cent per gallon the wholesale price of the fuel.

Magnolia, Gulf, Texaco, Humble and Conoco stations all advanced their prices to 28 cents for regular and 30½ cents for ethyl. Three independent stations were getting 24 and 26 cents this week, inasmuch as they had not been advised of wholesale advances.

TEN YEARS AGO  
(February 17, 1966)

Robert Moore and Larry McCoy, junior students Hamlin High School, were elected football captains for the coming year. Robert is the son of Mrs. Fred B. Moore Jr. and Larry's parents are Mr. and Mrs. S. E. McCoy.

The Piperettes, winners of the District 5-AA Girls Basketball Championship, will host the girls from Trent here tonight in a warm up game for their Bi-District game with Marfa, winners of District 6-AA.

Plans have been tentatively set for the Piperettes to meet Marfa in their Bi-District match at Coahoma, Saturday, Feb. 26, at 7:30 p.m. The winner of this game will go on to the Regional meet in Lubbock.

A sonic boom caused when an airplane broke the sound barrier is alleged to have done considerable damage to the Holiday Lodge in Hamlin and the owner has filed suit in 104th District Court at Anson, seeking \$5,000 damages. Named defendant is St. Paul Mercury Insurance Co.

In his petition, Paul Buchana, owner of the lodge, sets out that on Dec. 17, 1964, a jet airplane penetrated the sound barrier causing tremendous sonic vibrations which damaged the Lodge.

Tim Jones, Director of Bands at Hamlin, was installed as a member of Alpha Chapter Phi Beta Mu honorary bandmasters fraternity at the annual meeting of the Texas Music Educators Association in Dallas Saturday, Feb. 12.

Membership in the national fraternity is limited to Bandmasters who have made outstanding contributions to the American school band movement for a period of five or more years.

Mrs. David Casey was revealed as Valentine Sweetheart of Beta Theta Chapter of Beta Sigma Phi at the Saturday evening social in the home of Dr. and Mrs. James E. Harrison.

Mrs. W. T. Johnson, sponsor of the chapter, made the announcement and presented Mrs. Casey with a gardenia corsage and a sweetheart crown pin which Mr. Casey pinned for his wife.

Plenty of ROOM!

Have you ever, when on a vacation, in the peak of the tourist season, looked and looked along the highway for a roadside park with an empty table so that your family could have a picnic lunch and rest? Then, of course, all might travel refreshed. How nice it is to come upon a park like this one, with the breeze blowing across the water.

Isn't it wonderful that there is always plenty of room at the House of God? There is always a church where you can receive spiritual food, and sweet rest of the soul. The church holds out its arms in welcome to all, inviting everyone to come and learn of God. Won't you attend this week?

"Come unto me, all ye that labour and are heavy laden, and I will give you rest." Matthew 11:28.

Coleman Adv. Ser.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Sara Butler, 60

Sara Alta Butler, 60, died at 9:30 a.m. Thursday in Hamlin Memorial Hospital after a lengthy illness. Funeral was held at 2 p.m. Saturday at First Baptist Church with the Rev. Marshall Stewart, pastor of the Church of the Nazarene, and the Rev. Howard Jones, pastor, officiating.

A resident of Hamlin 52 years, she was born in Delhi Sept. 22, 1915, daughter of the late Mr. and Mrs. John Sherry. She married T. J. Butler in Hobbs, N. M., Jan. 2, 1954.

She was a member of the Nazarene Church.

Burial was in Hamlin East Cemetery under the direction of McCoy Funeral Home.

Survivors include her husband; one daughter, Willie Mae Ellerd of Abilene; four brothers, Earl Sherry of Waco, Edd Sherry of Marlon, John Sherry and Orien Sherry, both of Houston; four sisters, Mrs. Charlie Linder of Bastrop, Mrs. Mary D. Reeves of Lockhart, Mrs. Thomas D. Smith of Aspermont, and Mrs. D. W. Edwards of Tiller, Ore.; two grandchildren and two great-grandchildren.

Pallbearers were Floyd Andress, Clarence Foster, Hugh Hemby, Dewey Donham, Earl Williams and C. C. Sprayberry.

## Words on Water

TEXAS WATER QUALITY BOARD  
AUSTIN, TEXAS 78711

## WATER POLLUTION CONTROL—A LOOK AT THE PAST . . .

Fifteen years after the Republic of Texas was admitted to the Union, the first prohibition on water pollution appeared as a vague clause in the Texas Penal Code. That was in 1860.

From that year until 1931, there were no new pollution laws, nor were any really needed since the state was largely rural with little industry.

Then in 1931, the first water pollution control act was incorporated into the Texas Civil Statutes, stating that waste discharges should not affect the quality of the receiving stream. (Also, in the 1930's, the Texas State Department of Health began requiring that Texas cities and towns provide secondary treatment to city sewage, thus helping Texas avoid some of the desperate problems faced even today by some other states.)

Texas agencies overseeing the early regulations were the State Department of Health, the Game and Fish Commission and the Railroad Commission (for oilfield wastes).

Although it had no funds, personnel nor real statutory authority, when the Texas Water Pollution Advisory Council was created in 1953 by the Texas Legislature, it became the first sounding board for water pollution problems in the state and established the first statewide network for sampling the waters in Texas rivers and streams.

## Alice Wilcox

Alice Wilcox, 68, a fifty-year resident of Hamlin, died at 12:20 a.m. Thursday at West Texas Medical Center in Abilene.

Funeral was held at 4 p.m. Saturday at McCoy Chapel of Memories with the Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiating.

Burial was in Hamlin Memorial Gardens under the direction of McCoy Funeral Home.

Born Sept. 14, 1907, in McGregor, daughter of the late Mr. and Mrs. Will Knox, she married Sam Wilcox in Anson Oct. 3, 1926.

She was a member of Foursquare Church.

Survivors include her husband; two sons, W. S. Wilcox of Abilene and Samuel Wilcox of Mississippi; three sisters, Gladys Holden of Hamlin, Dollie Butler of Anson and Lucille Pemberton of Abilene; 11 grandchildren and several nieces and nephews.

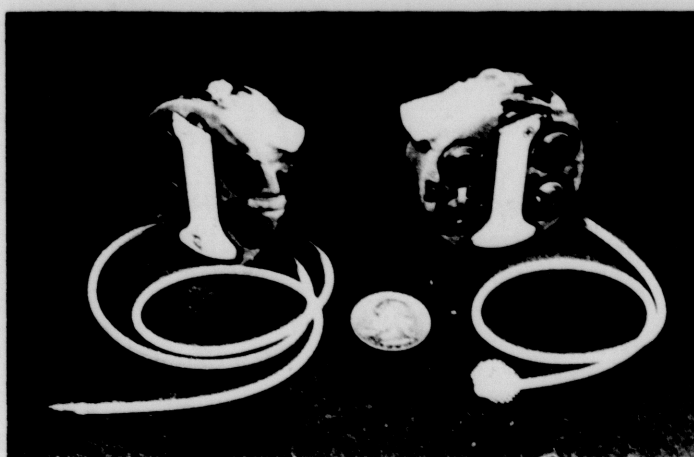

Pallbearers were Pete Scott, Bob Cary, Arky Stevens, Howard Williams, Buster Hart and Ronnie Holden.

## Production Sale

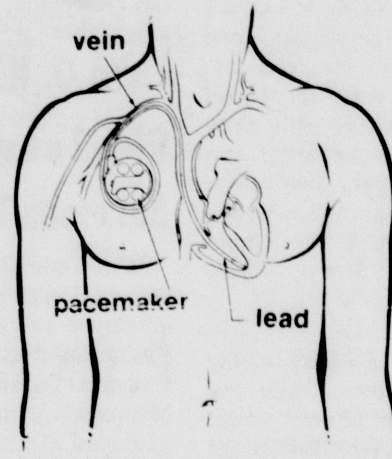

## Set In Aspermont

E. M. Lawrence of Aspermont announces the Circle L Ranch production sale Monday, Feb. 23, at 1 p.m. in the Show Barn, one-half mile east of Aspermont.

Lawrence, owner of the outstanding herd of cattle, said that they have been selling in top brackets of Sweetwater and Abilene

**LIFE ENHANCING DEVICES**—These are pacemakers. Each year some 80,000 pacemakers are implanted in persons in the United States to help control irregularities in the rhythm of their hearts. They are small (about 2-1/4 inches in diameter) and light (just over 4-1/2 ounces). They work by sending timed electrical pulses through the wires shown with them to the heart. The pulses make the heart contract or beat at a timed rate.

**HOW A PACEMAKER IS IMPLANTED**—First the lead, an insulated wire, is passed through a vein into the inside of the heart. The wire is then connected to the pacemaker. The pacemaker is implanted into the muscle tissue of the pectoral region through an incision in the skin, and the incision is sutured up. Often the entire procedure is done in 20-30 minutes under a local anesthetic. Each year about 80,000 pacemakers are implanted in the United States.

Hereford sales for several years.

During this time, 150 ribbons and trophies from various shows and sales have been received, he said. Several registered herds have been started from cattle purchased from this herd, he added.

Included in the sale will be 45 range and herd bulls, and 35 bred, open and club heifers.

You can save energy if you unplug your electric dishwasher between washing and drying. Let dishes drip dry in the machine.

## HEART MONTH

## 80,000 Hearts Helped To Beat This Year With Artificial Pacemakers

This year some 80,000 hearts will be assisted in the regulation of their rhythm because of artificial heart pacemakers. That means 80,000 people will have the quality of their lives improved, or even have the gift of life itself, thanks to this marvelous little battery-powered device.

To each, Valentine's day and heart month with its national emphasis on heart health, must have special meaning.

Why do people need pacemakers? Actually, there are several medical reasons. They involve people at all ages from less than a day old to centenarians. But, each recipient of a pacemaker has something in common with his fellow members of the pacemaker club—each has a defect in the rhythm of his heart.

In a normally functioning heart, electrical impulses are conducted from the upper to the lower chambers of the heart muscle by a bundle of very specialized muscle fibers that resemble nerve tissue. Each impulse flows through the fibers from the top of the heart to the bottom and makes the heart contract. However, if these tissues become damaged, as sometimes occurs during heart surgery or as the result of a heart attack, or change due to disease in the heart, electrical impulses may not flow through them. Or, the impulses may flow erratically. The result is a much slower heart beat as the lower chambers of the heart pump on their own.

When the heart rate slows down, the amount of blood flowing through the body slows down also. The resultant lack of oxygen and nutrients can cause physical symptoms. The most common of these are

a feeling of fatigue and shortness of breath. In many people an irregular or slow heart beat causes periods of dizziness, fainting, and blacking out. This is simply the result of not enough oxygen getting to the brain tissues.

Of course, a heart rhythm malfunction manifests itself most obviously in a slow or irregular pulse, or rapid or irregular heart beats.

None of these symptoms by itself is a sure indication that a pacemaker is needed. But, any of these symptoms is a sure indication that a trip to your physician is in order, as soon as possible.

The implantation of an artificial heart pacemaker has become a relatively routine operation and complications are rare. The first step is the insertion of a lead, an insulated specially constructed wire that carries electrical impulses from the pacemaker to the heart. Typically, the lead is inserted in a vein and passed through the vein to the inside of the heart. The other end of the wire is then connected to the pacemaker which is implanted in an incision either in the flesh of the upper chest or in the abdomen. As soon as a connection is made, the pacemaker automatically regulates the beat of the patient's heart.

Most pacemakers are set to run at a fixed rate, typically 70 or 72 beats per minute. Some, however, can be adjusted after implantation or during the operation to a rate which the physician determines is optimal for the patient.

Many pacemakers also sense the normal electrical activity of the heart and coast when the heart is functioning nor-

mally, turning on when the heart slows down.

After the pacemaker is connected to the lead, it is placed beneath the incision and sutures are used to close the cut.

After a few days the pacemaker wearer can return home and resume a normal, active life. Many pacemaker patients do, in fact, become more active than they were prior to surgery. Unless hampered by some other health problem, pacemaker patients can hunt, golf, swim, and resume all activities which are normal for a person of the same age.

It's the enjoyment of the pleasures of daily life that are so very special to all pacemaker wearers. And, that's one of the reasons why heart month, and its emphasis on heart health, will always have a special meaning to them.

## EARN MORE THAN \$3.00 AN HOUR TO LEARN A SKILL WORTH EVEN MORE.

The Army Reserve will teach you a trade, give you enough experience to master it, and the opportunity to put it right to use in civilian life. Your local Army Reserve unit has the details.

**THE ARMY RESERVE. PART OF WHAT YOU EARN IS PRIDE.**

# We know your gas bill has gone up. But ours went up \$166,189,000!

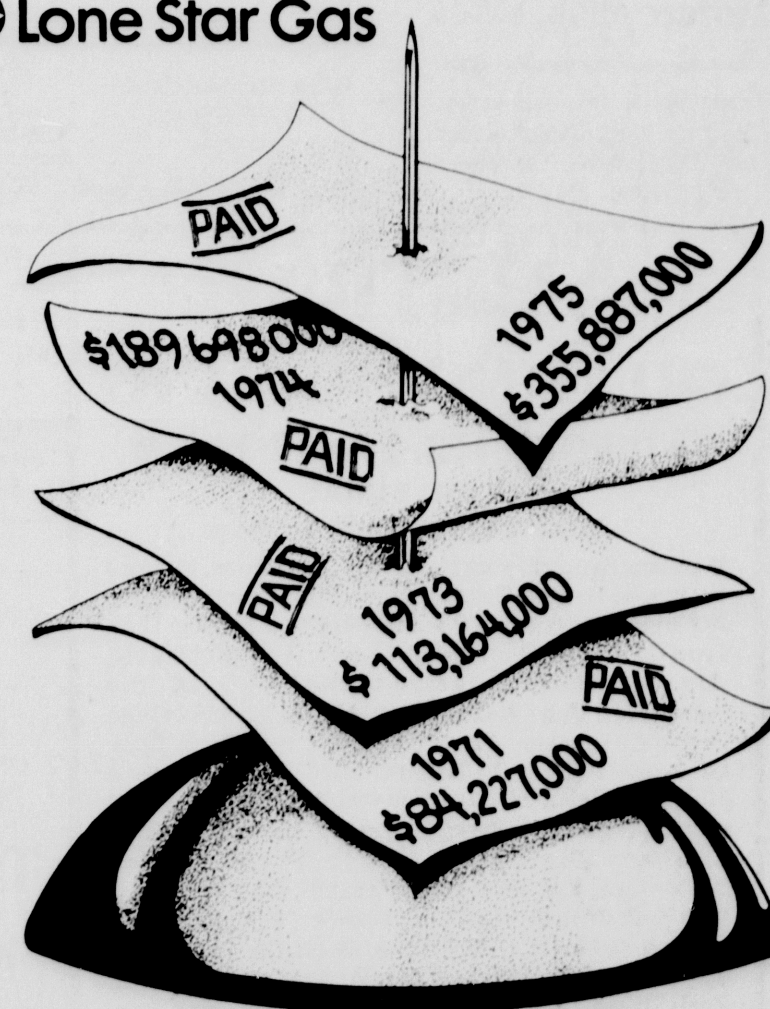

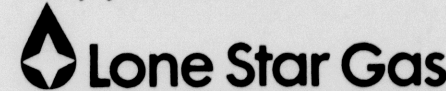

Lone Star's annual gas bill is *four times* what it was just five years ago. The average price Lone Star has had to pay producers for the gas we buy has gone up to about *two-and-one-half times* what we were paying just one year ago.

Because Lone Star must pass on these gas cost increases, your gas bills this winter are substantially higher than they were last year. And further rate increases are required to cover our cost of service. We know you don't enjoy paying these higher utility bills, but we have no other choice. And we believe you would rather have natural gas from Lone Star than the alternate forms of energy such as electricity, wood, fuel oil or coal.

Lone Star makes no profit on that portion of your gas bill which passes on increases in the average cost of gas we buy. In fact, Lone Star Gas Company utility profits have declined 56 per cent since 1972. Even with a *full* flow-through of its gas costs from the producer to the customer, Lone Star would lose money because of Gross Receipts Taxes (those taxes paid to each city under our franchises on gross revenues).

The only way Lone Star can continue to provide natural gas to its customers is through rates that include all changes in the cost of purchased gas. It is also important that we recover other costs of service that are no longer covered by our margins on gas sold to residential and commercial customers.

Our residential and commercial customers are in the enviable position of being able to get all the gas they want. There is **NO SHORTAGE OF GAS FOR OUR RESIDENTIAL AND COMMERCIAL CUSTOMERS THIS WINTER!** And with your support, we hope to be saying that for many years to come.

Neinda Philosopher Amazed to Learn Of Claims That Fireplace Won't Warm You

Editor's note: The Neinda Philosopher on his Johnson farm on Route One comes to the defense of fireplaces in his letter this week.

Dear Editor:  
I don't guess there's anything funnier than a far-out environmentalist who has run out of something to warn against.

According to an article I read last night while I was sitting comfortably in front of my fireplace, an environ-

mentalist has figured out that fireplaces take out more warm air up through the chimney than they leave in the room and are therefore an utter waste of energy.

I started to get an overcoat or wrap up in a blanket, but then I got to thinking. What a joke it's been on man! You'd think somebody would have caught on. Here for centuries past, before gas and electricity, men have been building fireplaces, standing in front of them, sitting in front of them, cooking in them, all the time thinking they were keeping them warm but all they were doing, according to this environmentalist, was chilling the room, not to mention polluting the air with smoke, destroying the forests, and maybe ruining the upper

John D. Kitchen Dies Tuesday, Services Today

John Dale Kitchen, 54, a retired Continental Oil Co. employee and partner in Oil Patch Pollution, Inc., died at 1:10 p.m. Tuesday at Hamlin Memorial hospital after an extended illness.

Services will be held at 10 a.m. Thursday (today) at McCoy Chapel of Memories with the Rev. Billy Weaver, pastor of the Assembly of God Church officiating.

Burial will be at 12 noon in Hawley Cemetery under the direction of McCoy Funeral home.

Mr. Kitchen was born April 26, 1921, in Lamar, Okla., son of the late Mr. and Mrs. Luke Kitchen. He attended schools in Oklahoma and was married to Mary L. Engles at Sapulpa, Okla., April 7, 1947.

He was a veteran of World War II, a Mason and a member of the Hamlin VFW. Survivors include one son, Billy Kitchen of Hawley, one sister, Mrs. Bill (Lorene) Cohea of Chico, Calif., and two grandchildren, William R. and Rodney Kitchen.

Hawley Services Held Friday for Lem Bockmon, 85

Lemuel E. (Lem) Bockmon, 85, a longtime Jones County resident, died at 9:50 a.m. Thursday in Anson General Hospital following a short illness. Services were held at 2 p.m. Friday in Hawley First Baptist Church. He was born May 31, 1890, near Avenger in East Texas and grew up there. He moved to Jones County in 1920, settling in Hawley. He married Lula Hollis Sept. 25, 1926.

He worked as a heavy equipment operator for Precinct 3 of Jones County. He and his wife moved to Hamlin in 1974. He was a Baptist.

Survivors include his wife; a son, Donald of Hamlin; two sisters, Myrtis Gray of Anson and Nola Bennett of Marshall; two brothers, O. H. of Chula Vista Calif., and Earl of Jefferson; seven grandchildren and three great-grandchildren.

A daughter, Lennie Lou Acton, died in 1972.

Service was conducted by the Rev. W. L. Tric, pastor. Burial was in Hawley Cemetery.

Hamlin High School Happenings

(Compiled each week by the HHS Journalism Class)

The second quarter ends today (Thursday) and the third quarter begins Monday. Quarter exams began yesterday (Wednesday) and continue through today.

Friday will be a holiday for students, while all teachers in the Hamlin system will be involved in an in-service training session.

Mrs. Frank Codington will direct the high school teachers' program which will include a covered dish luncheon.

The Hamlin High Stage Band will go to Roscoe Monday to compete in the Roscoe Stage Band Festival. Hamlin has been the number one band there for the past two years.

The group will be performing in their new uniforms which are red, white and blue.

They will also compete in the Brownwood Festival the following Friday.

The Hamlin number sense and slide rule teams placed in the top half of the 20-school, one-class division of the U.I.L. meet at Hardin-Simmons University in Abilene last Saturday.

Paul Reynolds placed

seventh in slide rule with a score of 83.

Both teams will travel to Stamford Feb. 28 to participate in another meet there.

Mr. Jerry Bodine and Mr. Bruce Wilson are the sponsors.

The mini-course idea at Hamlin High has attracted administrators from area towns such as Anson, Haskell, Stamford and Aspermont.

Interest in the mini-courses has slowed because of preparation for the U.I.L. contest upcoming in March, but Mr. B. V. Newberry, principal, feels that the idea will "fire-up" again and that participation will reach its maximum in the third quarter.

## No School Here Friday For Students

Students in Hamlin Public Schools will have a holiday Friday while teachers participate in an in-service day.

Dr. Jan Skinner, reading consultant from Pacific College, Fresno, Calif., will be here Thursday to work with the reading advisory committee. She will continue her work Friday with elementary teachers for grades K-7 in diagnostic and prescriptive reading techniques and present an informal reading inventory testing method for teachers to give in the classrooms to determine strengths and weaknesses.

Bill Pounds of Texas Education Agency will be at the high school Thursday and Friday. Included in his visit here will be a presentation on drug abuse.

## Kenneth Dockins On Honor List

Kenneth E. Dockins, son of Virgil and Connie Dockins, was named to the Dean's Honor List in the College of Business Administration at Texas Tech University for the fall semester.

This recognition is accorded to those students who have attained a grade point average of 3.0 or better during the past semester.

# TEXAS 1876

February 15 - 22, 1876

Election day finally came on Feb. 16, and although it took several days for all ballots to be officially tabulated, the incumbent, Richard Coke was re-elected governor over his Republican opponent Chambers. The new constitution was adopted by a wide margin.

**GALVESTON** — The NEWS laments that the great number of offices to be filled and the unusual disposition to "scratch" tickets which prevailed throughout the State rendered the counting of ballots a tedious process. Returns came in slowly and in such unsatisfactory shape that it was difficult to make some of them intelligible.

**GRAYSON COUNTY** — The American Meat Preserving Company at Denison is now at work putting up cooked meats for the trade. After beef, pork, or any other meat goes through their process, it is ready for the table. They are also putting up boned turkey by the same process.

**INDIANOLA** — The courthouse has been thoroughly repaired and placed in fine order from the effects of the September cyclone. The jail, also, is in good condition. The steamship W.G. Hewes will take upwards of 500 beebes to Havana. The total shipment last week aggregate 1000 head.

**GALVESTON** — The Southern Champion Louisville Base Ball Club plans to play games in Galveston, Houston, Dallas and Denison during March.

**NEW YORK CITY** — The adoption of the new constitution (in Texas) gives general satisfaction. Texas bonds are rapidly advancing. For seven per cent, gold bonds five and a half bid — ten asked. Forster, Ludlow and Company.

**HOUSTON** — The only visible sign of Washington's birthday here was a large U.S. flag or two displayed over the post office and in Fannin Street.

**GALVESTON** — In the personal column: The COURIER-JOURNAL rightly ranks Mr. Fruits and Mrs. Fruits of Indiana among the first Fruits of the earth, the one being 113 and the other 111 years old. The old gentleman neither smokes nor chews, of course.

**Advertised in Leading Texas Newspaper** — Mind reading, psychomaney, soul charming, mesmerism, and marriage guide, showing how either sex may fascinate and gain the love and affection of any person they choose instantly. 400 pages. By mail, 50 cents.

Mass Communications Texas Tech University

**RECEIVE DECA AWARDS**—Tammie Harris, left, holds the first place plaque and Tava Wilcox, right, holds her award received in the area Distributive Education Clubs of America (DECA) competitive contests. The girls are also holding the winning manual prepared by Miss Harris on facial cosmetics. She is employed in the DECA program at Mar-Jo's Merle Norman. Miss Wilcox is employed at Howard Drug Company.

## Tammie Harris Wins First In DECA Meet

Tammie Harris was awarded a first place in the annual Area Distributive Education Clubs of America Competitive Events Contests held in San Angelo this past weekend. Tava Wilcox won a

fourth place award in the contest.

Miss Harris qualified to enter the State Contests to be held in Houston, Mar. 11-12-13, by winning a first place award.

She won first with her manual on Facial Cosmetics submitted under the division for studies in marketing for department stores.

Miss Wilcox placed fourth in the sales demonstration contest.

Fifty-four schools were represented in the area contests, according to Carlton Taylor, local DECA teacher who accompanied four students to the contests. Others competing were Sonja Corlee and Diane Johnston.

News deadline is noon Tuesday. Tuesday evening events by 10 p.m. Tuesday or 8:30 a.m. Wednesday.

## Oak Grove Sets Dinner Saturday

The Y. W. A. and choir of Oak Grove Baptist Church will sponsor a dinner to be held Saturday beginning at 5:30 p.m. in the Fellowship Hall.

Price per plate will be \$2.25.

Menu will include fried chicken, blackeyed peas, broccoli and rice, tossed salad, hot rolls, assorted pies, iced tea and coffee.

The public is invited.

## Betty Thompson Named County Aging Coordinator

The Jones County Commissioners have selected Betty Thompson to serve as Aging Services Coordinator for Jones County.

Mrs. Thompson will direct various recreational programs, information and referral services, telephone reassurance programs and health testing.

The service office will be in the Jones County Court House. Mrs. Thompson may be contacted at 823-3741 or 823-2916.

This program is funded by the West Central Texas Council of Governments.

ERIC WAYNE TABB to be initiated

## Former Hamlin Student Named To Phi Eta Sigma

Eric Wayne Tabb, son of Mr. and Mrs. Monroe E. Tabb of McCamey will be initiated into the Phi Eta Sigma Fraternity at Texas Tech University Mar. 6.

The academic requirements for membership in Phi Eta Sigma are very high, so that membership in this scholastic honorary is the finest scholastic distinction a freshman can attain at Texas Tech. Only some two and one-fourth per cent of the men in the freshman class attain the honor each year.

Eric attended school in the Hamlin school system for several years. He was employed by Shell Pipe Line in Hamlin for the summer of 1975.

He graduated from McCamey High School in 1975 as the top ranking boy. He is the grandson of Mr. and Mrs. Monroe T. Tabb of Hamlin

and Mr. and Mrs. James P. Bowman, now of Seguin, former longtime residents of Hamlin.

## Russell Cary Represents Area At Scout Meeting

Russell Cary, Eagle Scout of Hamlin's Troop 143, attended a meeting in Austin with Gov. Dolph Briscoe. Cary represented the Northern District of the Chisholm Trail Council. The annual meeting is designed to report all of the state's scouting activities during the past year. All 23 councils are represented.

Cary, son of Mr. and Mrs. James Josey, was accompanied by three other scouts from this council. Dr. Joe Snow of Abilene, attended as Adult Advisor.

The scouts attended a breakfast Saturday with Col. Speaf, Head of the Department of Safety, who talked about scouting.

While in Austin, the group visited the L B J Library, University of Texas and the State Capitol Building.

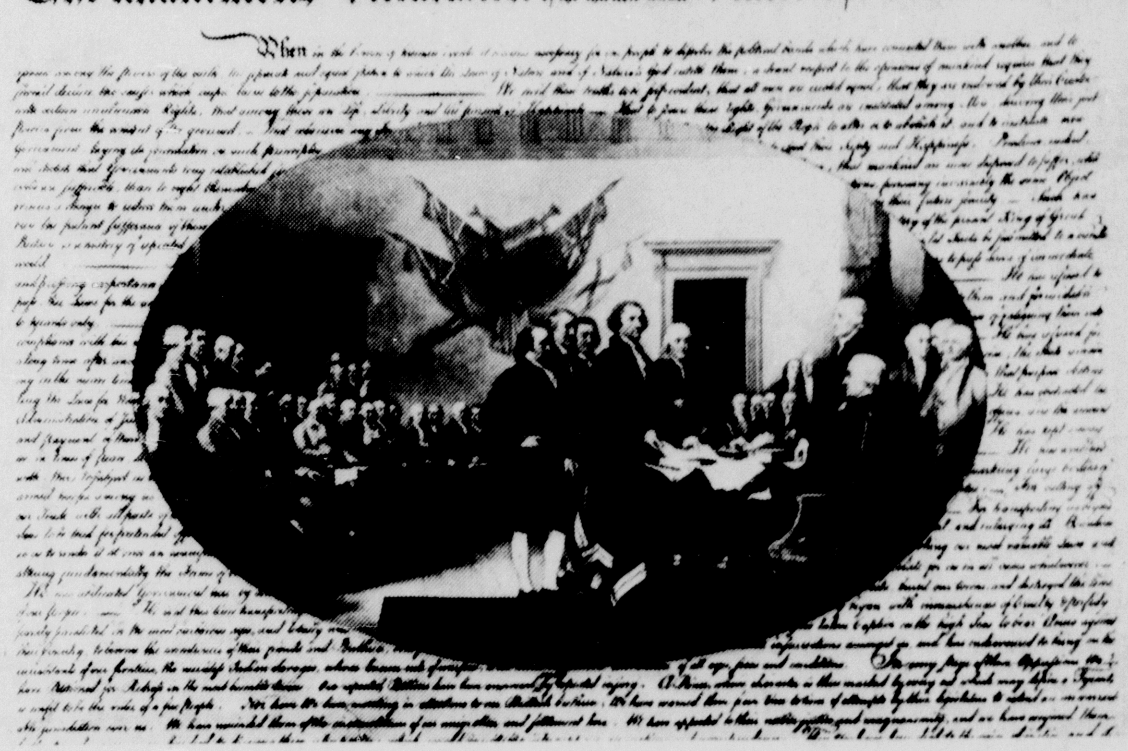

Visiting over the weekend in Alice with their daughter and family, Mr. and Mrs. Bobby Self and Todd, were Mr. and Mrs. H. R. Daniell. Accompanying the Daniells was their granddaughter, Leslie, daughter of Mr. and Mrs. Herman Daniell.

# BAILES BEST MADE DOG FOOD

**50 LB. CHUNKY or  
50 LB. MEAL**

**Only**

**6<sup>99</sup>**

BAILES BEST-MADE DOG FOOD is built on a base of over 45 nutritious ingredients. It is cooked. It's a complete feed - just the right blend for easy eating, yet of sufficient bulk to provide exercise for the teeth and gums.

Designed to provide every normal nutritional need of your dog, BAILES BEST-MADE DOG FOOD is the result of twenty years of

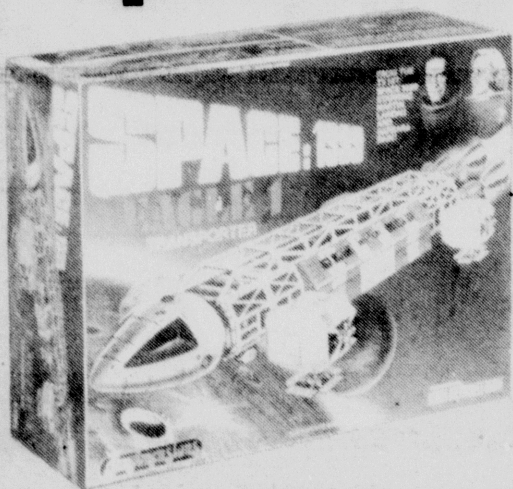

experience and countless experiments to build a Dog Food that supplies all of the normal nutritional needs of a dog - a Dog Food of high palatability - high digestibility - one that will help give your dog the "Go and Grow" of a sound, well-conditioned animal. Pets or working dogs - they will love it - eat it readily and thrive on it.

... it's really tasty, and nutritious

## BIG BEN PUZZLES

Ages: 12 to Adult 1000 Pieces  
Each year 12 scenes are selected from hundreds of entries to form the Big Ben Puzzle series. The uniquely appealing scenes found in this newest Big Ben grouping were carefully selected for color, sharpness of detail and suitability for puzzle use. Puzzle fans of all ages will find them a rare treat and an absorbing challenge. Big Ben puzzles contain over 1000 interlocking pieces. The completed picture measures 26" x 20"...perfect for card table use.

## YORK PUZZLES

Ages: 12 to Adult 1500 Pieces  
The York series contains six different subjects. Each puzzle has 1500 interlocking pieces. The size of the completed puzzle is 24" x 31", a perfect size for a card table. The size of the box is 13 3/4" x 9" x 2 1/4". They are packed 12 to a carton, 2 each of six subjects. All pieces are interlocking and the puzzle is constructed of heavy duty board. Each puzzle is seal wrapped and the complete picture is shown in full color on the front of each box.

Beautiful, scenic locations can be recreated by you with this 1500 piece puzzle by Milton Bradley.
